Haven Funeral Services

## ABOUT US

We can offer you a full and comprehensive professional funeral service right through to a simple farewell. Funeral Director, Bryce and his team, (after consultation with your family) are able to co-ordinate all the necessary arrangements and bring everything together, taking care of many of the more stressful aspects of losing a loved one. Complimentary to our funeral services we also offer a full monumental service. A memorial is an ideal way to pay a special tribute to your loved one, personalising their final place of rest, providing a place for family and friends to visit and remember.

Package Includes:

- **Direct Cremation**

This is our basic funeral package and includes a local transfer and delivery to a Private Cremation, Doctor and Cremation fees, provision of a suitable Casket and the registration of the death, as well as the provision of the Death Certificate. Simple, affordable arrangements all handled with dignity and care by our professional team for your peace of mind.
